Work Experience

Papzod Software Pvt. Ltd., Lucknow (2025 – 2026)

Web Developer & Business Development Associate

Website Development & Technical Responsibilities:

- Developed, customized, and maintained WordPress websites for clients across various industries.
- Built responsive and user-friendly web pages using HTML, CSS, JavaScript, and WordPress.
- Designed and managed website layouts using Elementor Pro, ensuring modern and professional user interfaces.
- Created dynamic website sections and product showcases using Advanced Custom Fields (ACF) and Elementor.
- Implemented custom content structures to improve website scalability and content management.
- Managed blog pages, post layouts, and dynamic content displays using Elementor Loop Grid.
- Worked on website optimization, responsiveness, and user experience improvements across desktop, tablet, and mobile devices.
- Assisted in troubleshooting website issues, updating content, and maintaining website functionality.
- Collaborated with team members and clients to understand project requirements and deliver customized web solutions.
- Participated in testing and quality assurance to ensure websites met client expectations and industry standards.

Business Development & Client Acquisition:

- Conducted market research to identify potential clients interested in website development, digital solutions, and IT services.
- Generated leads through LinkedIn, email outreach, social media platforms, business directories, and online research.
- Reached out to business owners, startups, and organizations to introduce company services and explore collaboration opportunities.
- Managed initial client communication, requirement gathering, and project discussions.
- Scheduled and coordinated meetings between prospective clients and the development team.
- Prepared service presentations, project proposals, and quotations based on client requirements.
- Maintained regular follow-ups with prospects to nurture relationships and increase conversion opportunities.
- Assisted in negotiating project requirements, timelines, and service expectations.
- Contributed to client onboarding processes and ensured smooth communication throughout project execution.
- Built long-term professional relationships with clients by providing timely updates and support.
